INDEPENDENT AUDITOR'S REVIEW REPORT

To the Unit Holders of QNB Debt Fund Doha – Qatar

Introduction

We have reviewed the interim statement of financial position of QNB Debt Fund (the "Fund") as of March 31, 2025, and the related statements of profit or loss and other comprehensive income, changes in net assets attributable to unit holders and cash flows for the three-month period then ended and material accounting policy information and other explanatory notes. Management is responsible for the preparation and presentation of this interim financial information in accordance with International Accounting Standard 34, Interim Financial Reporting ("IAS 34"). Our responsibility is to express a conclusion on this interim financial information based on our review.

Scope of review

We conducted our review in accordance with International Standard on Review Engagements 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity". A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Conclusion

Based on our review, nothing has come to our attention that causes us to believe that the accompanying interim financial information is not prepared, in all material respects, in accordance with IAS 34.
